KEY MILESTONES THIS QUARTER

- ✓ Completed onboarding for all 3 prototype fellows
- ✓ Launched weekly check-in system with 95% completion rate
- ✓ Recruited 5 founding sponsors at \$200/month
- ✓ Processed first relocation referral (\$3,200 revenue)
- ✓ Published 8 articles to REACH Access knowledge base

LOOKING AHEAD

Next quarter, we'll host our first Year-End Symposium where fellows present their research progress. We're also preparing our 501(c)(3) application and beginning outreach to additional Georgia medical schools for pilot year expansion.

With gratitude,
